MEMORANDUM FOR: SPECIAL CONTRACTING OFFICER

25X1

THRU: 25X1

25X1

FROM: 25X1

SUBJECT: 25X1

1. [redacted], a contract agent of [redacted] under Project [redacted] was employed as a contract agent in March of 1951. His contract expired on 26 March 1953, at which time he was converted to a staff agent. [redacted], under his old contract, had been overseas for twenty-one months and planned to return for home leave in July 1953. However, a General Counsel ruling has stated that when [redacted]'s contract expired in March 1953 and he converted to a staff agent, he lost all rights of leave under his old contract. General Counsel further ruled that when he converted to staff agent, his eligibility for home leave commenced at the time of his conversion. This would necessitate [redacted] remaining overseas for nearly four years without home leave.

2. We have discussed the case with PDC and they have agreed to cancel [redacted]'s conversion to staff agent, thus allowing him to revert back to a contract agent. It is therefore requested that [redacted]'s contract be extended retroactively from 26 March 1953 for a five month period, thus alleving him to come home in July on home leave. While in the United States, he can be converted to a staff agent status.

3. In accordance with our conversation, it is requested that [redacted] leave clause under his old contract, be clarified to allow [redacted] and his wife home leave in July 1953.
